POSITION SPECIFIC INFORMATION (COURSE MARSHALS, MEDICS, AND POWER STOPS)

Course Marshals

Course Marshals will be stationed at a particular location on the route to assist riders through turns and difficult areas. These positions may be staffed by one or multiple persons. The position's main focus is on participant safety with a secondary role in support of other staff if the need arises. All marshals will be transported to their designations via the Challenge marshal van. A Marshal Captain will support your position to answer any questions and assist you as needed. Course Marshal Volunteers will meet with Marshal Captains at the Volunteer Check In at the Load Lot (see parking map) the day of the event and will have an orientation meeting at 6:30AM. The National Course Marshal Coordinator, Lesley Pickett, will provide specific updates to course marshals in subsequent emails.
