

## **Rubric for "With Cancer" Presentation**

"THE PRACTICAL SIDE OF CANCER"  
TEACHER SHEET

If you wish, assign weight to each criterion. Determine what other criteria, if any, you want to use to assess students' presentations.

### **PURPOSE**

---

Does the presentation respond to the general questions in a way that allows the person to live life on his or her own terms – to **LIVESTRONG**?

### **CREATIVITY**

---

Does the presentation reflect a novel approach to the issue?

### **CONTENT**

---

Does the presentation reflect the issues described on the work sheet?

### **MECHANICS**

---

Is the presentation coherent and engaging?

### **REALITY**

---

Does the presentation reflect what people might actually say and do?

### **THOUGHTFULNESS**

---

Does the presentation offer reasonable explanations and background information?

### **EXTRA**

---

Does everyone in the group participate? Does the presentation reflect effort?
