LIVESTRONG PROVIDES
FREE EMOTIONAL
COUNSELING FOR
ANYONE AFFECTED
BY CANCER.

PROGRAM HIGHLIGHTS

LIVESTRONG EMOTIONAL COUNSELING

Our navigators and counselors help clients cope emotionally with cancer by providing short-term counseling and access to support groups and peer-to-peer connections. In 2014, our emotional counseling team directly served more than **2,331** people affected by cancer.

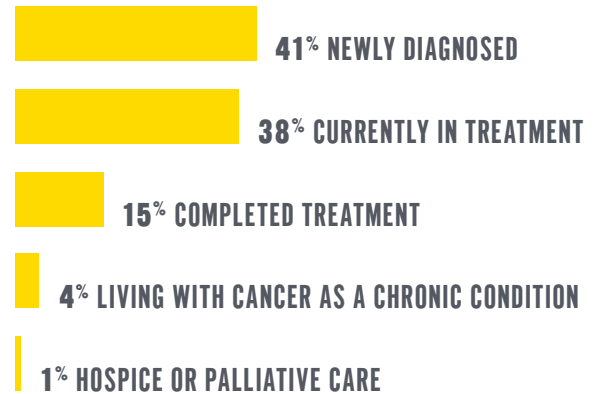

LIVESTRONG FERTILITY

Our fertility program helps clients access discounted rates for fertility preservation and provides education on risks and family-building options. Last year, we helped **953** people save more than **\$4.26** million on fertility-related expenses.

LIVESTRONG AND MEN'S HEALTH

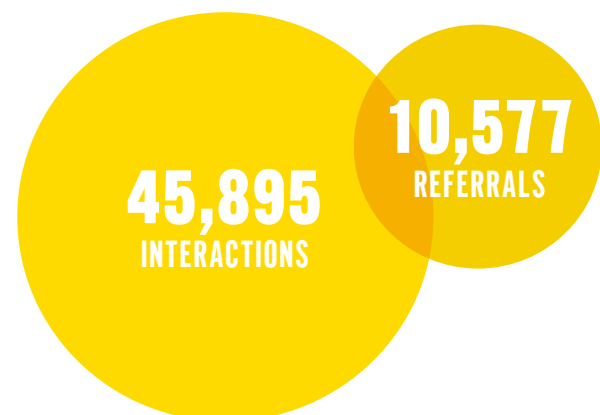

In 2014, LIVESTRONG Navigation, in partnership with the Movember Foundation, expanded its services to better serve men with cancer, their caregivers and their families. This expanded program allowed us to serve **2,793** men, of which **1,265** had testicular or prostate cancer.

STAGE OF TREATMENT

CLIENT INTERACTIONS

Our Navigation team logged **45,895** interactions with clients and provided **10,577** referrals for more than **8,893** clients.

STRATEGIC PARTNERSHIPS

With organizations like Patient Advocate Foundation, NavigateCancer Foundation, Imerman Angels and CureLauncher, we helped clients access a range of cancer support services, including:

- *Clinical trials matching*
- *Peer-to-peer connections*
- *Medical expenses management*
- *Insurance assistance*
- *Help understanding a cancer diagnosis*
- *Treatment options*
