FINANCIAL IMPACT

Through its programs and partnerships, the Foundation helped clients save over $7 MILLION in cancer related expenses in 2013.

PROGRAM HIGHLIGHTS

LIVESTRONG Emotional Support

Navigators and counselors help clients cope emotionally with cancer by providing short-term counseling and access to support groups and peer-to-peer connections.

In 2013, the Foundation's Emotional Support team directly served more than 2,650 people affected by cancer.

LIVESTRONG Fertility

helps clients access discounted rates for fertility preservation and provides education on risks and options related to cancer and fertility.

Last year, the Foundation helped 859 people save more than $3.75 million on fertility related expenses.

The LIVESTRONG Cancer Navigation Center allows clients in the Austin area access to one-on-one help in-person.

In 2013, the Navigation Team served 1,302 Central Texans and helped local clients save more than $1.3 million in cancer related expenses.

In June of 2013, the Foundation entered into a partnership with Gilda's Club Chicago and Cancer Support Community in order to provide navigation services to clients in the Chicagoland Area.

In 7 months, the Foundation served more than 430 Chicagoland clients.
Through strategic partnerships

With organizations like Patient Advocate Foundation, NavigateCancer Foundation, Imerman Angels, and EmergingMed, the Foundation helped clients access a range of cancer support services, including:

- Clinical trials matching
- Peer-to-Peer connections
- Insurance and financial assistance
- Help understanding a cancer diagnosis and treatment options

In 2013, the Navigation Team made over 9,400 referrals to these partner organizations
